to our Office Staff,

Barbara Schreiber
(LiL Co-ordinator)

Or

Juliana De Angulo
(LiL Teacher Assistant)

Launching into Learning is for families with children from birth – 4 years of age.

Your child will be involved in experiences that will help develop their talking, reading, physical, social and emotional skills in an atmosphere of fun and creativity.

Launching into Learning will support you and your child to have a successful transition to school.

Playing together helps build lasting relationships.

You will have the opportunity to access support and form friendships.

You will get to know your local school.

Launching into Learning

**Talk, read and play
with your child every day.**
